Dear Alan,

I'll enclose the National Archives' duplicate original copy of the Memorandum of Understanding that Harry Fitzwater, Deputy Director for Administration, signed for CIA on Tuesday. The CIA duplicate original copy will be on file in my office.

In signing, Harry Fitzwater told me that he will reply to Dr. Warner's letter of transmittal, which he agreed raised legitimate concerns.

I am glad that we have this understanding on record, and very grateful to you, Bob Wolfe and NARS in general for arranging it. It has done a lot to reassure people here, by showing how carefully and professionally NARS deals with the worrisome questions of security, privacy, and foreign government information that this transfer raises.

Again, my thanks and all good wishes,

Sincerely,

[Redacted Signature Box]

J. Kenneth McDonald  
Chief Historian
